“ The love of my life, from the day we met. We were supposed to grow old together. I thought we'd have more time. Now I'm just left w/ the memories of all the hours spent. I'm really gonna miss your love, & sense of humor. Hold your baby girl extra tight, & rest well babe. I love you, forever.

“ So sad to hear of Tremaine's passing. I was stationed with him at RAF Mildenhall, England in the AGE shop. I remember Tre always had a smile and was always cracking jokes. He was a great mechanic and he will be sorely missed as an even greater person.

“ On behalf of Richard Nichols and family, we offer our sincerest condolences. May the Lord comfort you and give you peace that surpass all understanding. Aunt Rose, you are one of the best Mothers I know. You always led with love, strength, and firmness but always fair and I commend you for doing all you could do. May God give you exceptional favor of a restful heart and a clear conscious knowing that you went above and beyond for your children and family. We will be praying for you all.
